Children and Worship is a unique and innovative approach to worship with young children. Developed by Dr. Sonja Stewart, it is a program that involves children in experiencing biblical stories through a multisensory approach to worship. Additional information is available on the RCA website: www.rca.org/childrenandworship.

Children and Worship is spiritually enriching for both children and adults. Through lectures, demonstrations, and hands-on practice, workshop participants will become acquainted with the administration, philosophy, and content of the program; learn how to present Bible stories; and learn how to create an environment that cultivates the imagination and invites children to experience the wonder and mystery of God.

WHO SHOULD ATTEND? Pastors, directors of Christian education, Children and Worship leaders, and those who work with children will benefit from this workshop. One pastor per congregation is encouraged to attend for free.

BOTH SESSIONS are required to obtain the entire scope of training. Certificates will be given only to those who complete the entire fourteen hours of training. Each session covers different content. Storytelling practice is included.

COST: \$90 per person. This cost does not include meals or books. Participants will need to obtain a copy of the book *Young Children and Worship*, by Sonja Stewart and Jerome Berryman, before the training sessions. It may be ordered by contacting Faith Alive Christian Resources at www.FaithAliveResources.org or (800) 333-8300.
