What Is Thrive!?

Thrive! is a training event for church planters, planters' spouses, coaches, and church planting teams.

This event is called **Thrive!** because our focus will be on equipping church planters and their teams as healthy people to start healthy churches that reproduce!

God wants us to thrive—to be fruitful and multiply healthy kingdom life. This training event will help planters and planting teams develop courage, clarity, character, calling, and competence around the task of developing a vibrant community of discipleship and mission.

Why come to Thrive!?

Thrive! offers a wider exploration of planting models and features a lower cost per team than other training events for church planters. The built-in coaching strategy includes follow-through, and the event provides the opportunity for great cross-fertilization within the CRC and RCA planting movements. As we plant 20, 30, or 40 new churches a year, we need to plant healthy, reproducing churches that will become tomorrow's parenting churches in both the CRC and RCA.

At Thrive! You Will Have Opportunities to:

- Seek the Lord's direction as you move out in mission and ministry
- Work with your team to create a solid plan for your church plant
- Connect with seasoned trainers and coaches
- Learn new skills that will help you gather people, make disciples, and reproduce leaders
- Receive encouragement as a church planting leader
- Create community and synergy within your church-planting team
- Develop a long-term strategy for church health and multiplication
