He has told you, O mortal, what is good; and what does the Lord require of you but to do justice, and to love kindness, and to walk humbly with your God?

Micah 6:8

After successful and meaningful past programs, Joshua Vis will be leading a trip to Israel and Palestine with dual purposes.

The first purpose is a ministry of presence to Christian Palestinian youth. Teenagers around Bethlehem lack opportunities, and the Christian community there longs for encouragement and fellowship.

Our group will lead two camps—an arts camp and a fitness camp—as a way to come alongside our brothers and sisters in and around Bethlehem. If you have skills in one of these areas, or if you have gifts of encouragement or service, there is a spot for you!

The arts camp will be held at Baraka Presbyterian Church, and the fitness camp at Shepherds’ High School.

The second purpose is a study tour to be immersed in Israel and Palestine. Teachers will help give historical and cultural context to the Bible as we stand in the very places the stories took place.

We will also learn about the current cultural climate and struggles and will engage with people working for peace in the region.
