- What:** Mission Team Leadership Training Event  
**When:** October 9-12, 2009  
**Where:** Meredith Drive Reformed Church in Des Moines, Iowa  
**Who:** Mission trip leaders, mission coordinators, and others interested in mission trips

Join the staff of the Reformed Church in America Mission Volunteer Program and Reformed Church World Service along with experienced mission trip leaders for a weekend of training, presentations, conversation, and fellowship as we explore the many facets of mission trips.

We will be sleeping and cooking in the church like a mission team would. We will also be getting to know experienced mission trip leaders and a church community that is very involved in mission and mission trips. Part of the weekend will focus on disaster response-oriented mission trips.

Transportation to and from Meredith Drive Reformed Church will be the responsibility of the participant. If you are in need of financial assistance, please let us know. When you register, Nancy will assist you with transportation and housing information. If you fly into Des Moines, we will arrange for you to be picked up from the airport.

For more information or to register, please contact Nancy Ellens at (800) 968-3943, (616) 698-7071, or [nellens@rca.org](mailto:nellens@rca.org).

We look forward to hearing from you and working with you at the Mission Team Leadership Training Event as together we follow Christ in mission!
