

10 Ways to Use the Blessing Boxes

- 1 Place a Blessing Box on your kitchen windowsill; when you remember or experience a blessing, put a coin in the box.
- 2 While watching the evening news on television, place a coin in the box whenever a woman or child needs your prayers, remembering that your coins will make a difference when used to support RCA Global Mission missionaries and projects.
- 3 Remember the coins you collect will offer future leadership opportunities for the girls in your church; place a coin in the box and say a prayer for each of the girls.
- 4 Place a coin in the box for each year your church has existed, remembering the women who have come before you.
- 5 Place a Blessing Box in your laundry room. When you find change in the pockets of the items in your laundry, place it in the box!
- 6 Encourage your church to use Blessing Boxes in the pews each Sunday, asking everyone who has experienced a blessing over the past week to drop in some money.
- 7 Place a coin in the box for every paper or plastic grocery bag you bring home from the store, remembering the many ministries that help feed hungry people.
- 8 As you wrap gifts for birthdays, anniversaries, weddings, and Christmas, place a coin in the box, remembering that your offering will be a gift to women around the globe.
- 9 Do you have a favorite radio or television ministry you always tune in to? Remember to thank God for that ministry, and put an offering in the box.
- 10 The perfect sunrise...the perfect sunset...the hug of a child...the touch of a friend; remember to thank God for all of your blessings! Your exercise of thanksgiving will offer your region the opportunity to have a coordinator for women's ministries who will connect women to local ministries and global mission, provide resources, and organize gatherings.
